"The rising demand for corporate accommodation in Madrid is exciting and with our latest apartments in Pozuelo we can offer our clients even more choice of high quality corporate accommodation", says Mariel Martinez, Business Manager Iberia & LATAM for Roomspace.

Our latest apartments are located in Pozuelo, a sought after residential district in the North – West of Madrid. Pozuelo has all amenities including shops, restaurants, schools and green areas. Three minutes walking from Dos Castillas underground and providing easy access to the centre of Madrid. All apartments come with WI-FI, weekly housekeeping and 24 hour guest care.

"We are delighted with the addition of Pau Claris in the heart of Barcelona to our portfolio. We are experiencing increasing demand for this type of high level apartment community in Spain's vibrant second city", continues Claire Vincent, Sales Director Roomspace.

Our new serviced apartment building is situated in the heart of Barcelona. A short walk from Catalunya Square and Passeig de Gracia, with its high-end boutiques and buildings in Gaudi style. They offer easy access to the main business districts as well as the main transport hub in the city. The nearest tube stations are Urquinaona, Catalunya and Passeig de Gracia. The aerobus to/from the airport is only a few minutes walk from the apartment.

"Our Roomspace brand continues to grow rapidly across the Continent and we are delighted to have added another location in Madrid, where our demand continues to rise", adds Jo Layton - MD Group Commercial Sales. ***"The opening of the Roomspace brand in Barcelona is part of our ongoing strategy to be one of the most recognised and successful serviced apartment operators on the Iberian Peninsula"***, she concludes.
