

Old Town Chambers in the running for two inaugural awards

Old Town Chambers, a unique collection of award-winning luxury five star serviced apartments in the heart of medieval Edinburgh, has been shortlisted for the Best Serviced Apartment and Best Interior Design awards at the inaugural Serviced Apartment Awards.

Held on 21st March in London, Old Town Chambers is in the running against serviced apartments in Australia, China, Dubai and London.

[The awards are](#) created for and by the serviced apartment, aparthotel, extended stay and short term rental industry.

Gavin MacLennan, General Manager at Old Town Chambers, said:

“We are absolutely delighted to have been shortlisted for two awards. We are up against stiff competition from global nominees, but I am hoping we will take home both accolades as we are in an enviable position. We are the only accommodation which has both the 15th and 21st century elements, so hopefully our unique offering wows the judges, like it does our guests.

“We are coming up for our third year of being open for business and occupancy figures have continually risen each year, with a rate of 82% and 100% during the festival season, Christmas and Hogmanay.

“This shows we have the right product in place to provide our guests with the ultimate luxury Scottish experience.”

In 2015, a further 14 apartments were added to Old Town Chambers, bringing the total to 50, ranging from studio apartments through to a three bed penthouse and 15th century Townhouse.

Each room combines stunning modern architecture and bespoke interior design with the surrounding medieval closes and inside, 15th century exposed stone walls and art work, giving not only a nod to its historic surroundings, but a place of luxury and comfort for all guests.
