City Stay Apartments announce opening of first apartment hotel in
Milton Keynes

City Stay Apartments unveils its plans to open Platinum House, the first aparthotel in Milton Keynes.

City Stay Apartments already operates 60 serviced apartments in Milton Keynes, specifically located within The Vizion, The Hub and Theatre District, and will add Platinum House to its portfolio when it opens in February 2017.

The new complex will offer 58 modern studio / one bedroom apartments, located within a 2 minute walk of Milton Keynes Central Station and the Santander and Network Rail headquarters. Each apartment will include a fully equipped kitchen, built in appliances, free wi-fi, freeview tv and a weekly maid service.

Mark Phillips, managing director of City Stay Apartments, commented: "At City Stay, we are very excited to announce that we will be opening the first aparthotel in Milton Keynes in 2017. With Milton Keynes being the top city in the county for jobs growth, we hope that our expanding property portfolio will enable us to cater for the growing demand for corporate accommodation in the city."

"With serviced apartments becoming the fastest growing sector of the hospitality industry, we look forward to providing the first ASAP accredited aparthotel for our business and leisure partners."

City Stay Apartments currently offer serviced apartments in Milton Keynes and Bedford with plans to further expand over the next few years.
