## URBAN STAY NOW OFFERS PERSONALISED DOG BISCUITS IN ALL ITS DOG FRIENDLY SERVICED APARTMENTS IN LONDON

Urban Stay was the first serviced apartment business in London to offer dedicated pet welcome packs for dogs and cats. Now Urban Stay is pleased to announce that it has just upgraded its dog welcome packs! If you book one of the company's many [friendly dog London serviced apartments](#) you will also be provided with a home baked dog biscuit! That's right! The dog biscuits are hand baked and branded by Urban Stay's director [Jenny Dreiling](#). The biscuits are widely vegetarian and are also suitable for human consumption. They only contain chicken broth, peanut butter, flour, egg, oats and a little bit of honey.

At the moment all dog biscuits are branded with 'Urban Stay'. However, they can be personalised to whatever you would like them to say. One large Urban Stay branded biscuit will be provided in your dog welcome pack free of charge. However, personalised ones can be made to order for a small fee.

Jenny can print anything on them from your dog's name to a short sentence. The personalised dog biscuits cost £9.99 for a pack of three large bones printed with the same words. If you'd like to place an order please contact the [Urban Stay team](#) with your requirements. Please allow 3-5 working days for the order to be complete and delivered to your serviced apartment.

Ms. Jenny Dreiling, Urban Stay's Director of Finance and Marketing added: "We have seen a huge success with our pet welcome packs and already see competitors adapting to the idea. It's wonderful to know that we're actively driving the serviced apartment industry forward and seem to be setting industry standards. Offering personalised dog biscuits is just taking the idea to the next level."
