

Corporate Stays Accelerates Growth with Opening of New Buildings in Edmonton

August 14th, 2018

FOR IMMEDIATE RELEASE

EDMONTON, AB - [Corporate Stays](#) is proud to announce the launch of 2 new luxury buildings in Edmonton as part of its Signature Collection massive market expansion. After establishing its solid presence in Canada's East coast, with over 500 units in all major Eastern provinces, Corporate Stays is now expanding its presence in the West coast of the country.

In July, the company marked its tremendous growth with the launch 9 new buildings in Calgary. A month later Corporate Stays now launches new units at the Icon Towers in Alberta's capital, Edmonton. The success of this operation was a combination of proper planning, the furniture supply provided by [Casa Suarez](#) and the excellent execution by the company's team. These were fundamental for Corporate Stays to tap into a new market and continue its expansion throughout Canada's major cities.

The Icon Towers set the bar for high-rise residential living in downtown Edmonton. Situated in the heart of 104 Street Promenade — one of 4 finalists on 2013 list of Great Streets in Canada — the 30 and 35 storey towers boast a combination of 273 residential units and over 33,000 feet of commercial and office spaces. A mixed-use development that blends residential and commercial uses for an harmonious urban living lifestyle.

The Towers were the key point for the renovation of the area. Designed to incorporate both professional and personal lives of its residents, the complex also brought a touch of modernity to this city, turning itself in an architecture icon, as the name itself describes.

The company's unparalleled corporate rentals are supported by experienced property managers, and a 24/7 multilingual concierge team, with help a simple call away at all times. Corporate Stays focuses on launching apartments in prime locations, so that guests can have the best experience when staying with them. Edmonton is not an exception to this rule.
