

September 10, 2019

Canada's largest Corporate Housing provider, Premiere Suites, appoints Susan Cully as COO.

Toronto – Premiere Suites today announces the appointment of Susan Cully as Chief Operating Officer effective September 9, 2019.

Susan Cully brings over 17 years experience in the serviced apartments sector in the UK as well as the commercial & residential management and financial services sectors, where her role as managing director oversaw operations for Marlin Group Companies and Danby Investments Ltd. in both London and Dublin.

“We’re very excited to introduce Susan Cully to the team here at Premiere Suites, she’s got a proven track record of maximizing the growth potential of a range of aspects of the corporate housing and serviced apartment sector,” said Jeff Brookhouser, President of Premiere Suites. “Susan’s joining an already successful, and energetic team - at the perfect time to spearhead Premiere Suites’ operational refinement and expansion strategies.”

“Premiere Suites is a great company with exceptional people and strong client relationships,” said Cully. What I find most compelling about Premiere Suites is its undisputed leadership in the corporate housing market in Canada. With its experienced leadership team and unwavering commitment to service, I am excited and eager to help further the company’s success. I look forward to what is ahead for Premiere Suites.”

About Premiere Suites

Founded in 1999, Premiere Suites is the most trusted provider of high quality, temporary, residences for professionals and families across Canada. Boasting 1,300 suites located in the cores of more than 40 Canadian cities, guests stay with confidence, knowing the company is fully insured, licensed and accredited. Their suites are fully furnished, professionally managed, and spacious, featuring fully-equipped kitchens, designated work areas, in-suite or on premise laundry, housekeeping, and free Wi-Fi; tailored for corporations, professionals, families and those in transition. *All comfort, no sacrifices.*
